MEAN WELL

MEAN WELL LRS-N2 Series
100W/200W/350W/600W Enclosed Type Power Supply

[Learn More](#)

Product Markets

RF & Microwave

Explore a comprehensive range of components spanning from antennas to baseband, control elements, high-power RF & Microwave solutions, and cutting-edge design tools.

[Shop](#)

Power Electronics

Browse through our selection of off-the-shelf power supplies, power management ICs, power supply components, and accessories for seamless power management in your projects.

[Shop](#)

LED Lighting

Illuminate your projects by using our selection of high-quality LED COBs, modules, drivers, and more. Elevate your lighting solutions with reliability and efficiency.

[Shop](#)

Sensors & Wireless

Discover a diverse array of sensors, including accelerometers, vibration and motion sensors, gas sensors, and temperature and humidity sensors. Stay connected with our wireless solutions.

[Shop](#)

Precision Measurement

Achieve unparalleled accuracy with our world-class precision measurement products, including gaging tools, metrology equipment, position feedback devices, and precision measuring instruments.
