store.upowertek.com - Home Page Example

Features Include:

- Customized & Branded
- Powerful Site Search
- Responsive Site Design
- Add to Cart
- Secure & Streamlined
- User Accounts
- SEO-Friendly
- **And More**

The screenshot displays the uPowerTek e-commerce website. At the top, the uPowerTek logo is on the left, with the text "Online Store Powered By CDJ" next to it. To the right is a search bar with the placeholder text "Search by Part Number or Keyword or Manufacturer" and a red search icon. Further right are links for "Sign In" and "Cart: 0 Item(s)". Below the header is a navigation menu with "HOME", "PRODUCTS-", "ABOUT US", and "STORE SUPPORT". The main content area features a large image of various electronic components with the text "Welcome to the uPowerTek Store. Shop Our Product Offerings". Below this are three product tiles: "LED Programmable Driver" (with an image of a long metal component), "Non-Isolated Programmable Driver" (with an image of a similar component), and "LED Programming Tools" (with an image of a device connected to a laptop and a smartphone). The footer contains the text "uPowerTek Store - Copyright © 2024", "Powered By Component Distributors, Inc. (CDJ) All Rights Reserved", and "20276934194_05".

The screenshot displays the uPowerTek website's product detail page for the BLD-600-C420-ENU LED driver. The page layout includes a search bar at the top, navigation links (Home, Products, About Us, Store Support, Return to uPowerTek Site Home), and a breadcrumb trail (Home >> LED Programmable Driver >> BLD-600-C420-ENU). The product image shows a small, rectangular LED driver component. The product title is "BLD-600-C420-ENU" with a sub-description "BLD-600-C from uPowerTek" and "LED Driver 600W Cable Programmable 100-305Vac CC 3 in 1 Dimming 12V aux IP67". The status is "Standard", and there are links for "Data Sheet" and "RoHS Compliance".

600W Constant Current LED Driver

- Absolute Supply Voltage: 108-305Vac or 127-420Vdc, 380Vac for 2 hours
- Horticultural Customizable Configuration
- 95% Efficiency Max.
- Low Inrush Current
- 100,000Hour Life @ Tc=75°C
- 7 Year Warranty @ Tc<=75°C
- NFC Programmability and Isolated Dimming

Description:
This is a 600W constant current LED driver for grow lights and sport lights. It has compact size and high efficiency, supports 0-10V, PWM and Timer dimming. NFC programming and cable programming is also available on this product, the output current range is very wide from 2.8A to 14A.
